

Qualistar Colorado and the Denver Public Library Present

Developing Language with Infants and Toddlers

August 6, 2016
9:30 a.m.-4:30 p.m.

Breakfast and check in begin at 9 a.m.

Join staff from the Denver Public Library's Early Learning Department to discuss early brain and language development and participate in hands-on activities that can be easily replicated to support early childhood development. Attendees will learn how newborns and toddlers develop as well as simple and fun ways to talk, sing, read, play and write with infants and toddlers to promote healthy brain and language development.

Breakfast and lunch are provided. Participants will earn six hours of professional development.
