- The Tikvah Program at Ramah
 - Outdoor Adventure is a two-week program serving adolescents ages 11-15 with mild to moderate intellectual and developmental disabilities, including Asperger's Syndrome and Autism Disorder.
 - Tikvah campers, or chalutzim as they are known at Ramah Outdoor Adventure, will live in cabents (cabin tents) with specially trained counselors and will participate in the usual activities that RamahOutdoor Adventure offers all of its participants. These activities include: horseback riding, Jewish learning, rock climbing, wilderness survival, arts and crafts, agriculture, sports, aerobics and mining.
 - While the schedule is slightly modified from the typical day, Tikvah chalutzim will participate in elements of the camp program, such as meals, evening programs, and Shabbat services with their peers.
 - Individual chalutzim will be integrated into other activities in camp according to their abilities. We have seen wonderful growth in confidence and empowerment as our campers face challenges in a nurturing, safe environment. We are excited to offer these experiences.
