

ECPAC
EARLY CHILDHOOD
PARTNERSHIP
OF ADAMS COUNTY

EVERY RIDE. EVERY TIME.

THE SAFEST PLACE FOR YOUR CHILD IS IN A **CORRECTLY USED** CAR SEAT.

NEARLY **50%** OF CAR SEATS ARE USED INCORRECTLY.

Loose harnesses, incorrect belt paths, and missing tethers can put your child at **serious risks**.

A **correctly used car seat** can reduce the risk of injury by up to **71%**.

CAR SEAT SAFETY SAVES LIVES.

We're here to help you get it right.
Schedule an appointment with us.
