

Our Goals

Uniquely Ours is a support group who believes that parents often find their greatest support in other parents who are in similar situations. We offer a place where parents can find information, support, and services which can meet the individual needs of their family. We believe that parents can share, laugh and learn from each other. Support through education and social opportunities helps to empower parents to face the challenge of helping their child grow within their school and community.

We hope you can join us!

Uniquely Ours is a parent support group who gathers monthly to discuss different topics, and issues related to our children and their needs. Meetings are held either during the day from 11:30-1:30 or in the evening from 6:30 to 8:30. We typically meet at the Arc of Adams County which is located at 641 E. 112th Avenue, Northglenn, CO 80233.

Learn from the mistakes of
others. You can't live long enough
to make them all yourself.

—Eleanor Roosevelt

Parenting a child with *special needs* may be the hardest thing you've ever done in your life, but if you have the information and inspiration you need, it can also be the most rewarding! Knowing that others have been there, done that, and survived is an empowering thing for parents of children with special needs. 

With the help of the Arc of Adams County, we are able to offer parents a place to gather and discuss their questions, concerns and successes. We also have a yahoo group you can join at:
