On June 18th, the Colorado Immunization Section presented a request to the State Board of Health for a public rule-making hearing on August 20, 2014 regarding proposed changes to 6 CCR 1009-2, Rules Pertaining to the Infant Immunization Program, the Vaccines for Children Program and the Immunization of Students Attending School. (These rules would be implemented for the 2015-16 School Year).

Community and stakeholder engagement are critical to successfully proposing and approving the amendments to this rule.

Informal questions or comments may be addressed to the Colorado Immunization section by contacting Jamie D'Amico at jamie.damico@state.co.us or Shannon Rossiter at Shannon.rossiter@state.co.us

Formal public comments will be accepted during the official rule-making process. The draft rule will be published by the Colorado Register. The State Board of Health will conduct the public rule-making hearing on August 20th and encourages participation during this process by accepting written oral comments during public rule-making hearing or written comments directed to the below address.
