

Happy Ladybug Early Learning Center is looking for enthusiastic, passionate, loving and caring teachers.

We have been in business for over 10 years and are a well-respected, family owned Early Learning Center in Stapleton. We are looking for highly qualified teachers to add our team.

Some things that make us unique:

- We have lower teacher/student ratios in each of our 4 classrooms.
- We are in the process of converting to an employee owned cooperative, which allows teachers additional benefits as well as a voice in the decision making process.
- Social Emotional focus on the whole child with a play-based learning environment.
- We allow teachers autonomy over their classrooms and encourage creativity in developing curriculum that is geared towards the interests of the students, not a “boxed” program.
- “Family-like” relationship with staff and clients.

We are planning an expansion soon which will provide opportunities for career development and growth.
