EARLY CHILDHOOD
PARTNERSHIP
OF ADAMS COUNTY

Family Childcare Home Providers

...play a critical and valuable role in the care and education of young children in our community!

Unfortunately Adams County does not have enough Family Childcare Homes.

ECPAC wants to support you in navigating the process to **become a licensed Family Childcare Home** where you can care for children in a warm, home atmosphere where children feel loved.

“Be the best you can be. There is always something new to learn.”
