EARLY CHILDHOOD PARTNERSHIP OF ADAMS COUNTY

2023 - 2024

GROWTH AND RESILIENCY

The Early Childhood Partnership of Adams County is **cultivating an effective** early childhood ecosystem for children from prenatal through the transition into kindergarten, their families, and early childhood professionals in Adams County.

All children, their families, and early childhood professionals are valued, healthy, and thriving.

ECPACs Ultimate Goal:

All Adams County children enter school healthy and ready to learn and succeed.

This report is focused on the final year of our 2020-2024 Strategic Plan We are excited to share our updated 2024-2027 Strategic Plan

ECPAC's strategic plans are informed by our community partners, early care and education providers, and families with the intent that together we can implement strategies and impact needed change. As a result, we thank the organizations, individuals, and our staff who contributed in the past year towards our shared goals through service on the Governing Board, Strategic Action Teams, Collaboratives, and otherwise.

Systems and Core Business

Connecting community organizations and families to work together to address complex social issues through:

Engaging with **139** individuals from **54** organizations, as well as elected officials, and **20** community members.

> ECPAC supported **6** Strategic Action Teams/ Collaboratives with **27** organizations, **7** ECE programs, and **18** family partners.

ECPAC supported **80** programs to be added to the Resource and Referral platform for a total of **103** programs from **45** organizations so that families can better find and connect with the resources they need.

ECPAC partnered with **29** organizations to host/ attend community events and provide resources. Facilitating the Family Leadership Council (FLC) with **22** dedicated family leaders working on reducing mental health stigma and increased access to resources.

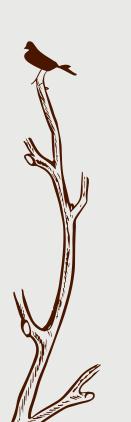

> As reported by survey 96% of members have increased their knowledge, 87.5% have increased their skills, 91.5% feel ownership over the decisions made, 78.5% report a great sense of belonging; and 87.50% report an increase in confidence.

Members have received training this year to increase knowledge of mental health and public speaking.

The FLC were chosen to be Mental Health Ambassadors as part of the Metro-Denver Partnership for Health.

FLC members facilitated **4** community meetings at elementary schools to talk about mental health. Supporting **12** pieces of legislation with **10** passing and advocated for federal investment for early care and education, child abuse prevention and the Strengthening Families Act, and the Child Tax Credit.

Hosting **40** trainings on **30** unique topics for **781** (duplicated) / **433** (unduplicated) professionals to improve the quality of services children and families receive.

"Gracias, gracias por creer en mi y por darme la oportunidad de saber que soy importante y que mi voz vale!" "Thank you, thank you for believing in me and for giving me the opportunity to know that I am important and that my voice counts!"

- Family Partner involved in one of our Action Teams

Early Learning

Connecting Early Care and Education Providers to comprehensive supports through:

Providing ECE coaching to **100** programs (Centers and Family Child Care Homes) for a total of **1458.50** hours toward quality improvement goals in Colorado Shines. Additionally, Adams County providers were supported with **134.5** hours for Early Head Start classrooms and 36.5 hours of EQIT coaching. This amounts to 1629.5 hours of individualized coaching this year.

Providing **\$158,698** in funding to support learning materials and professional development.

Completing **74** hearing and vision screenings for children in Early Head Start.

Supporting 20 Family Child Care Homes to complete the pre-licensing training.

Offering 14 professional development opportunities, **4** FAFSA/CAFSA trainings and **9** informational sessions for 286 (duplicated) / 111 (unduplicated) ECE professionals this year. Additionally **42** professionals completed the EQIT course.

"I have been a licensed home provider since 2011 and was just doing things on my own with no connections at all other than my licensing specialist. In 2016, I was looking into some networking and came across the ECPAC website...Now...8 years later and [I still have] my coach which I am so thankful. . She empowered me with her knowledge that I even went back to school and earned my bachelor's degree in ECE. Without her coaching, encouragement, and helping I would be a Level I probably and [have none of the] relationships that I have now, possibly maybe not even a provider. I will forever be thankful for the support that I have received."

- Family Child Care Home Provider

Working with 81 Family Child Care Homes to provide individualized support primarily related to learning about Quality Improvement, business marketing tools, professional development opportunities, and financial resources. These providers included Family Friend and Neighbor (FFN) providers as well as licensed and pre-licensed programs.

Collaborating with **14** local and state community partners to host a FCCH Resource Fair that provided a wealth of meaningful resources and supports to 34 Adams **County Family Childcare** Home providers.

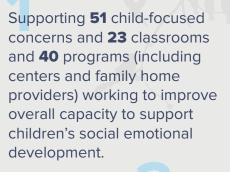

Supporting **265** individuals with their career goals through our Career Navigation work. 233 of those individuals received support with scholarship information including individualized support with the state's Career Advance opportunity. This support included collaborating with community partners to offer general and individualized support with the completion and submission of FAFSA and CAFSA. Other highly utilized types of support included CDA, PDIS credential. Director qualifications, and ECT qualifications. 81% of those responding to the Career Navigation experience survey reported an increase in knowledge in how to move forward on career goals. 1935 children were cared for and educated by individuals who received CN support this year.

Supporting **18** Adams County providers who were awarded Emerging & Expanding funds. These funds increased ECE capacity by 323 slots. More than **\$1.1 million** was awarded this year.

Early Childhood Mental Health Consultation

Connecting Professionals and Families to preventative mental health supports through:

Completing **39** screenings for children with **56** referrals to services such as early developmental services, mental health services, home visitation programs and to ECPAC's Family Support Specialists. Providing **19** trainings for **247** ECE professionals from **10** programs and supported 29 providers and **18** families to receive the Conscious Discipline class.

Providing a social emotional class series for **11** families with the Family Support Team.

Establishing new community partnerships, such as Infant Safety, Adams County Fair, CU Anschutz School of Medicine: Harris Fellowship, Cal State LA, & Key Autism Services.

"I really want you to know how much I appreciate you! The ideas you have and the resources/materials you tell me about are just brilliant! Your positivity and your bubbly and vivacious energy and personality are so infections; you make me want to be a better person all-around, and I wish I could be more like you! I just wanted you to know that you are one of my most favorite people in the world!"

- Child Focused case

Connecting families to comprehensive supports and services and to each other through:

368 families (**309** new and **59** existing) with resource navigation, which is an increase of **23.50%** compared to last year and a **53.97%** increase from 2021-22 fiscal year.

> ECPAC Family Support Specialists facilitated **794** referrals to communitybased services and approximately **76%** resulted in successful connections.

23 series of classes and groups to 169 (unduplicated) families, a 70.7% increase in attendance from last year and a 145% increase from the 2021-22 fiscal year. Eleven (11) of these series were offered in collaboration with community partners; 6 were co-located.

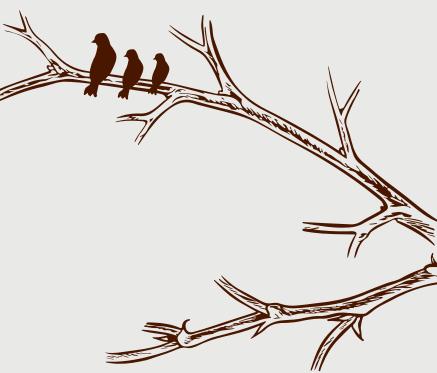

"Son personas excelentes que ayudan a todo el necesitado. En cada evento, clase y reunión hay una organización maravillosa y una atención muy bonita a las personas que asisten a su centro de ayuda. Esta organización es maravillosa."

"They are excellent people who help those that are in need. Their classes, events and meetings that are offered are well organized and staff is attentive and kind to those that come for assistance. This is a wonderful organization!"

10

Family Supports and Education

ECPAC continued its weekly co-location with Almost Home, as well as twice monthly co-location with Adams County Human Services. For a third year, ECPAC hosted a bilingual counseling intern through Maria Droste Counseling Center and a tax preparation site in partnership with Mile High United Way. ECPAC worked with partners on an enhanced focus on the perinatal period, including the provision of direct services and laying the groundwork for an upcoming social norming campaign aimed at increasing awareness of local resources and decreasing stigma related to help-seeking.
